

# BEVERAGE MENU

Full Bar service is available aboard each boat within our fleet! Bella Vista features extensive on board wine selections. Your event planner can help you compile a custom beverage list available on any boat within our fleet. State law prohibits us from allowing outside beverages aboard our fleet. However, if you are looking for something you don't see just ask! Bar arrangements are completely up to you, many people choose to provide a host bar for their guests. However, you may also select a cash bar or a combination of host and cash bar. The choice is yours! Al and Alma's requires no minimum bar purchases and all cruises are staffed with a bar attendant(s) at no additional charge. For some-thing fun and different, inquire about our wine tasting cruises. Your event planner can staff your cruise with an onboard wine expert for your special guests to learn, sample and enjoy! Also, dazzle your guests with Lighted Beverage Glasses, or have our Beverage Manager create a signature drink just for your special day! Please ask your event planner for more details on these special options.
